Santa Ana Junior College

Baldy Trip Planned Saturday

Expect Over 400 To Register For Semester's Work

Crowded Condition Cause Of Closing Four J. C. Courses

Between four and five-hundred students are expected to register at Santa Ana junior college this semester.

Two hundred twenty partly registered and 197 completed registration Monday, the first day. No report has been made for Tuesday, but the registrars expect to have over 450. Many will enter late.

Eleven new associated student tickets have been purchased Monday, according to George B. Holmes, junior college auditor. Mr. Holmes urges that students introduce a new precedent and pay their notes when due.

Four courses have been closed because of so many students. They are English 1A and 1B, Astronomy, Zoology, and Psychology 1B.

Regular second semester classes will begin today after one week of exams and two days of registration.

Beta Gamma Members Planning For Dinner

Beta Gamma meets tomorrow evening at Jime's cafe to elect officers and plan future activities. The members will enjoy a 6:30 dinner before the business meeting.

Membership to Beta Gamma is based upon work for the college and support of college activities as well as scholarship. It is the highest honor which a student may receive in J. C. The present members are Sterling Barnett, George Tobias, Eleanor Turner, Mary Bruner, Joy Wilson, Edwin Gerhardt, Lyles McNairy, Ray Lindman and Willard White.

Bookstore Opened Sat.

Brown's Santa Ana Bookstore opened at its new location at 205 West Fourth Street on February 2. The store, in a very good location, was presented with floral presentations from local firms and from individuals as well as from firms all over the country.

The new store has an unusually attractive display window. The two front doors are of solid plate glass. The appearance of the store as well as the variety of stationery goods, service, is in itself distinctive. A new toy department has been added in the store.

Two college men Bob Lowry and Fred Schrock, are employed in the store.

Associated Student President Welcomes Newcomers to J.C.

To the New Students:

In behalf of the Associated Student's of the Santa Ana junior college I wish to take this opportunity to welcome all of the new students into our college. New people, will undoubtedly add new life to our already strong and vital college life and work. From the ranks of freshmen rise our future leaders. To all of these newcomers I wish success and happiness in each of their activities whether it be of a social, athletic, or scholastic nature. This can be best accomplished by an honest attempt upon the individual's part to enter into the college activities.

Therefore, in welcoming those new students, I wish that the traditions and real spirit of the Dons become a part of each from the very beginning of their local college career; and that they might on those ideals for which the Santa Ana junior college is striving above all to be loyal to this institution and act as one of our organized units when representing the college.—Willard White.

Debate Team Trials Slated For Feb. 11

Tryouts for the debate teams will be held on February 11 at 3 o'clock. Each speaker will talk for ten minutes on the question "Resolved that modern advertising is detrimental to public welfare." There will be three judges who will pick the members of the debate team at this time. Among those who plan to try out are: Edwin Gerhardt, Dean Cowley, David Cherry, Paul Mueller, Arthur Gross, Chester Page, Lloyd Anderson, Thelma Dugan, Katherine Spicer, Evelyn Robb and Edith Johnson.

Four Scholarships Offered Graduates

Four competitive scholarships, covering the cost of tuition are open to graduates of the junior colleges of California. This offer is made by Mills College, California and students ranking in the upper tenth of the graduating class are eligible to apply. Awards will be based on scholarship, capacity for achievement, and health.

New Student Office Located In Room 15

The Associated student office is now permanently located in the room at the end of the hall opposite the "Y" Room. The office was formerly the book room.

Executive board meetings will be held there. During every hour of the day a member of the executive board will be there, ready to transact any associated student business, or attend to anything that may arise.

The seals are similar to those ordered last year. The price has not been definitely decided, but the seals will probably sell at ten cents or three for twenty five cents.

South America Topic Of Y. M. C. A. Lecture

A talk on South America by Peter Stuyvesant will be featured at the next "Y" meeting at the city "Y" building, Monday the 11th at 6:15 P. M. All men students are invited to attend.

Peter is the only student at junior college who has lived in South America and on the south sea islands. As a missionary, he lived with the people of this part of the world, studying them and helping them as much as possible. He is going to tell us something about them as well as some of the interesting and thrilling experiences that he has had while with them. He is an interesting speaker and he knows his stuff, so it will certainly be worthwhile.

Those planning to attend must sign up before Monday morning.

In addition election of new semester officers will take place. This is an important matter and all of us should make an especial effort to be there.

Calendar

- February 6—
 - 1 P. M. Assembly.
 - 3 P. M. Press club meeting in Don office.
 - 8 P. M. Basketball game dale.
- February 7—
 - 6:30 P. M. Beta Gamma, James cafe.
- February 8—
 - 8 P. M. Basketball game with Compton.
- February 9—
 - Associated Student trip to Mt. Baldy.
- February 13—
 - 8 P. M. Basketball with Fullerton here.
- February 15—
 - 7 P. M. Press club party on Long Beach pike.

Fifty Must Make Reservations For Mountain Outing, More Autos Needed For Transportation, Says McPherson

Varied Program At Today's Assembly

Today's assembly will be held in the auditorium. Willard White, associated student president, will be in charge.

The tentative program will include music numbers by the girls' quartette, composed of Hazel Smith, Thelma Stovall, Neda Hill and Audra Schmid. Edward Burns will play a few cello solos. A trumpet solo will be given by Kenneth Baird. Judge Kenneth Morrison will give a short address.

Election of officers for the sophomore class for the coming semester will be held today just after assembly. Willard White requests that all Sophomores be present.

Compton Students To Give Entertainment

Students of Compton junior college will present the first of a series of exchange programs February 20, when thirty talented members of the Tartar institution journey to Santa Ana to offer a musical and dramatic entertainment at that city.

Hubert Pedersen, student body president, will conduct the program, which will include numbers by the junior college orchestra, under the direction of Mr. Belprez, vocal solos by Ida Goldberg, and violin numbers by Josephine Rehor and Norma Peters.

Semi-annual Banquet Of Don Staff Given

Members of the Don staff were announced at the semi-annual banquet, held Monday evening at Ketner's.

Ray Lindman introduced Adelaide Mueller, the new editor who announced her staff of department editors. Plans were discussed for this semester's work which in all probability will include the publishing of a magazine. Each editor gave a resume of his or her duties.

Mr. Williams and Mr. Stewart gave short talks.

The program was provided by Dorothy McDonald and Melva Fletcher and Jane Stewart who sang and played. Ruby Gray gave a reading.

Will Meet In Front Of College Building At 9 A. M. Saturday

This year's outing of J. C. students will be a trip to Baldy next Saturday, February 9. According to Stewart McPherson, social commissioner, at least 50 students must plan to go if it becomes a reality.

A paper has been posted on the bulletin board which students planning to go are asked to sign. Those having transportation as well as those who need transportation will please sign. More cars are needed! Everyone who can take a car is asked to fill their cars.

Miss Miller, social adviser, is arranging for chaperones. Miss Miller, Mr. Stewart, Miss Curtis, Mr. and Mrs. Newcomer, Mr. and Mrs. W. H. Spurgeon Jr. and Mr. and Mrs. H. A. Scott, will probably be the chaperones.

All the winter sports will be participated in and everyone is assured of a good time. Students will meet at 9 o'clock Saturday morning in front of the junior college building. Students will bring their own lunches or buy them at Baldy. Hot coffee will be furnished by the committee in charge.

Press Club Officers To Be Elected Soon

A trip to Long Beach pike is the first party planned by the Press club for the coming semester.

Further plans will be made at the meeting to be held this afternoon at three. Students will meet at school at seven on Friday, February 15, and all will go to Long Beach together.

All those who can take cars are asked to let Adelaide Mueller know at the meeting today.

Press Club Meeting

Election of officers for the coming semester will be held at a Press club meeting February 6, at 3 o'clock in the Don office.

Suggestions for a new name for the club will be received at this meeting. Definite plans for the picnic at Long Beach will be made.

Hunt Again Postponed

Because of uncertain weather conditions, the treasure hunt will not be held until early in March. The calendar for February is already crowded with social events, and therefore March will be a better time for the out door party.

Delmer Brown and Wylie Carlyle, who are in charge, will announce plans and the exact date in a future issue.

Editorial Comment

On To Baldy Saturday

Now that finals are a part of history and now that we have gotten the grades we earned, but not expected, let us forget all and make ready for the traditional trip to Baldy.

Unless at least fifty students sign up to go the trip must be cancelled, and the annual romp in the snow will no longer be a tradition, but a matter of choice.

Everybody plan to go, and get the details from the bulletin board.

On to Baldy, Saturday.

Just Half Way

Today rings in the last half and perhaps the best half of the college year. It always takes a few months to get the machinery of the school working harmoniously, and therefore when we come back for the last five months, everything is in fine running order.

New officers take charge of Associated Student and club affairs. The old order has changed, and a new one is coming in ready to carry on the work only with renewed vim and vigor.

Give your whole hearted support to President White, his executive board, and your organization presidents, and then the words "Well done", can express the work accomplished the last semester.

Exchanges

Compton, February 4, 1929 (A. N. S.)—Fifty sticks of dynamite, enough to destroy the entire school plant here, were discovered here last week by students of the college. The explosives were scattered along the walk near the athletic field. The lives of hundreds of students were endangered. Local police are making an investigation.

Long Beach J. C. Viking

The Cadaver—student razz paper announced death of famous feature page character and mystic, Stella, whose death was celebrated by students that had been degraded in her column.

Pasadena J. C. Chronicle

"Bun" Whinnery elected president of Associated Students by a large student body. Successful semester is prophesied.

Out of the Past

2 Years Ago Today

Bull Throwing

The ignorance of the human race is appalling to the mind of one who is not a trained psychologist and is revealing to one who is. I am just about to do the human race a kindness, in fact a good deed and do away with some of its ignorance.

My private detective Ferret McSnoop has just returned from a visit to Mexico where he mixed business with pleasure with the result that his great mind (he has a very large head) was slightly befuddled. On entering my office he closed all the windows and doors and stuffed his "hanky" into the keyhole and seating himself near me, he whispered his great discovery into my pearly, pink ear.

"Did you know, Chief, where the expression, "Throwing the Bull" originated? you don't? Well, when I was in Mexico, I visited the great Swedish library in Mexico City and while looking into a waste paper barrel for a cigar stumbled onto a piece of parchment. As this parchment had some queer looking writing on it I immediately seated my body on a chair and made ready to decipher the epistle. After working on it for 40 days and 40 nites I deciphered it and discovered a great discovery.

It told of how the ancient Spaniards back in 480 B. D. or A. C., I forgot which, played their games. The national game in those days was Bull throwing. The contests between half-starved men and half drunk bulls became exceedingly popular. Men would train for months before the annual fiesta at which the Bull-throwing battles would take place. It became the common thing to see groups of men being entertained by one of their number telling of his conquests in the arena. As soon as he had finished his "bull" story another would

Vox Populi

Lynn Hafer: "Has Spencer come home from college yet?"

Jane Stewart: "Well, if he hasn't somebody has stolen the car."

How True

Donald Woodington (viewing Bertolett's countenance): "I once had a beard like yours, and when I realized how it made me look, I cut it off."

Carol Bertolett: "Well, I had a face like yours once, and when I realized that I couldn't cut it off, I grew this beard."

relate his experiences. It became a gentlemen's game to tell of his battles though he never saw an arena. It has come down to us, this habit of "Throwing the Bull" but now it has spread to Radio and Fish.

With these final words my pal, Ferret McSnoop swooned.

Welcome Students to our New Store

*Modernistic
for Young Moderns*

*Supplies for
the New Semester*

Although hundreds of our friends among the students have visited our new store the past few days since its opening, we extend an invitation to ALL! Young moderns ought to enjoy our MODERNISTIC store—with its decorations following Art Moderne—an unusual theme in store decoration.

You will also enjoy the larger stocks—the varied selections in every department—it comes near to being the store we have been

dreaming about and talking to you about.

Now, at the beginning of the new semester—a good time to come in and see us. The new supplies you need for this final half—they're all here, in new surroundings, and we're greeting customers with a smile twice as broad as before!

Come and see us! You know there is always a big welcome for EVERY student!

DON SPORTS

Everybody Go To
Glendale Tonight

Long Beach Wallops Dons 35-15

**Coach Foote's Cagers Not Up To Usual Form In One Sided Contest
Long Beach Easily Cops Fast Tilt**

Youel-Frank High Point Men

Playing their usual stellar game, Coach Bert Smith's Long Beach jaycee quintet had no trouble winning from Santa Ana junior college, 35-15, at Santa Ana last Saturday night. It was the same story. Long Beach just won another game, making it twelve straight, and cinching the championship.

The Vikings started fast and led by a substantial score at the half. Captain Franks scored first for the visitors, with Davis and Linell helping him run up 15 points by half-time. Ycuell missed numerous shots and with the stone-wall defense of the Vikings, Santa Ana was only able to score 1 point.

The game was slated to be one of the hardest thus far for the Vikings, but proved to be only "Another Walk-away".

The lineups:

Long Beach (35)		Santa Ana (15)
Franks (9)	F	(9) Ycuell
Hopkins (6)	F	(2) Hogue
Osler (4)	C	(2) Rust
B. Darist (8)	G	(1) White
Linell (8)	G	(1) Beatty

News Item

In the mauve nineties when the under-graduates wore Chester A. Arthur whiskers and only a statistician could tell you what the girls wore, it was customary to sit on the fence and barber-shop about the joys of "seeing Nellie home". These were the days when dates and prime beef were on the hoof, with possibly a wind-blown livery horse as a Sunday high-light.

Times have changed; so have methods of transportation; so have girls, so have names, since the immortal failure to do right by our Nell.

One thing remains the same; and that is the masculine desire to appear attractive to the feminine sex. And that is where we come in. Come in soon and we'll tell you more about it.

Dons-Buccanneers To Tangle Saturday

Tonight the Dons will go to Glendale to engage the Buccaneers in the return game of the second half of the conference season. The Dons defeated the Buccaneers in the previous tilt by a score of 31 to 22 and are the favorites in the coming game.

Glendale does not have a strong basketball team this year and it is thought that the Dons will be able to win handily. With the strength of the local team considerably greater than when Coach Foote's boys met the Buccaneers last time the score should show a greater range than in the other game. However the Buccaneers are said to have come up a little and it may be that on their own court will be able to do much better than they did on this court. If that is the case the Santa Ana team will have to expend itself a little more for if they want to make any bid at all for honors in the conference rating they will have to win all the rest of the games.

Bachelor's Ball

The annual Bachelor's ball was erroneously announced in the Don to be given February 9. It is scheduled for February 23, Charles Spotts, president of the organization, said.

Shin Busters Start Practice Again; To Elect Captains

Hockey practice is progressing in spite of the interruptions the rain has caused. The instruction given by Miss Cubberly during her recent visit has been of much help.

The play day will be Saturday, February 23, at San Bernardino in the new J. C. buildings. Santa Ana will be represented by two hockey and one tennis teams, which will be chosen later.

Net Practice Starts For Jaycee Women

Spring tennis season opens next Tuesday, February 12. Miss Leck, who is coaching the sport, is making plans for a successful season.

Girls coming out for tennis may sign up with the manager, Frances Larrabee, anytime this week. At 3:15 next Tuesday those interested in this sport will meet in the corrective room. "Come prepared to play after the meeting," requests Miss Leck.

W. A. A. Officers Are Elected For Term

At the close of the last assembly the W. A. A. officers for this semester were elected. Dorothy Harmon through her position as Woman's Athletic Commissioner, is now president of the organization.

Officers elected include: Ruth Tahtlinger, vice-president; Virginia Thomas, secretary; Marian Bruner, treasurer.

Two Kinds of Information

1. To know things.
2. To know how and where to find out about them.

The latter is the more valuable.

In the creamery business new information is necessary to keep in step with dairy development.

It should be appeared to with 789 79 789 7 87 8877 It should be apparnt to people who care why they should get their milk from a concern that spends many thousands of dollars annually to supply the very best.

Santa Ana Melon-Tossers Defeat Pasadena Team By Score Of 33-24 Dons Easily Outclass Bulldogs

Last Wednesday afternoon the Don melon tossers journeyed to Pasadena and defeated the Bulldog quintet to the tune of 33 to 24. This was the second encounter of the two teams and the Dons got their long sought for revenge for the defeat suffered by them at the Bulldogs hands earlier in the season. They were leading by two points at the end of the half and in the second division managed to increase their lead with Pasadena tying the score only once when the score book showed 17 points each.

Coach Foote allowed the same five men he started to play practically the whole game, running in his substitutes only when it was imperative. The boys were doing mighty well and Pasadena was certainly lacking in class.

Before the game the consensus of opinion among the Pasadena officials was that the Dons would win due to the disability of Matter, star center of the Bulldog quintet. His injury, making it impossible for him to play seriously hampered the attack of the Pasadena five as well as disrupting their defensive play. The five men had played together all season practically without substitution and with a substitute center of only three nights experience the Pasadena five lacked the old time form. Whether or not it would have made any difference with the Dons at the rate they were going is probematal, but the fact remains that the Dons de-

feated the Bulldogs and secured the revenge they were thirsting for ever since the football season.

Following are the lineups:

Santa Ana (33)		(24) Pasadena
Ycuell (19)	RF (4)	B. McCrory
Hogue (6)	LF (4)	G. McCrory
Rust (6)	C	(9) Royal
White	RG	Harden
Sweetman	LF
